All Eftpos equipment remains the property of Eftpos Technologies Limited for the duration of the rental. If the equipment is damaged by fire, liquid spillage, dropped or any other misuse on the merchant's part, the merchant is liable for the cost of any repairs or, in the case of unrepairable damage, the cost of a new terminal will be charged. All terminals used at the Show or Expo must be removed from the show grounds on completion of the show. On completion of your rental period you are given two days to ensure the return of the equipment. If you fail to return the equipment within this timeframe, you will incur a daily late fee of \$50 + GST .
